

## Browse and Search Basics

Within WHOAS, it is possible to browse by Issue Date, Authors, and Titles. You can browse across the entire content of WHOAS, or select specific Communities & Collections

The screenshot displays the WHOAS (Woods Hole Open Access Server) website. The header includes the WHOAS logo and name, a tagline 'a repository for the Woods Hole scientific community', and links for 'About WHOAS' and 'Login'. Below the header is a navigation bar with 'WHOAS Home'. The main content area is divided into three columns. The left column contains a search bar and navigation menus for 'BROWSE' (All of WHOAS, Communities & Collections, By Issue Date, Authors, Titles, Keywords) and 'MY ACCOUNT' (Login, Register). The middle column features a welcome message, contact information for the WHOAS project manager, and a section titled 'Communities in WHOAS' with a list of communities. The right column displays a list of authors and their respective document counts.
