Bitstream format registry

This list of bitstream formats provides information about known formats and their support level. You can edit or add new bitstream formats with this tool. Formats marked as 'Internal' are hidden from the user, and are used for administrative purposes.

[Add a new bitstream format](#)

ID	Name	MIME Type	Support Level
<input type="checkbox"/>	1 Unknown	application/zip	Known
<input type="checkbox"/>	2 License	text/plain (internal)	Known
